Dry, Hoarse or Painful Coughs Quickly Ended

Home-Made Remedy that Saves You \$2—Does the Work Thoroughly.

The prompt and positive action of this simple, inexpensive home-made remedy in quickly healing the inflamed or swollen membranes of the throat, chest or bronchial tubes and breaking up tight coughs, has caused it to be used in more homes than any other cough remedy. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, whooping cough, bronchial asthma or winter coughs.
To make this splendid cough syrup, pour 2 1/2 ounces of Pinex (50 cents worth), into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. You then have a full pint—a family supply—of a much better cough syrup than you could buy ready-made for \$2.50. Keeps perfectly and children love its pleasant taste.
Pinex is a special and highly concentrated compound of genuine Norway pine extract, combined with quinine and is known the world over for its promptness, ease and certainty in overcoming stubborn coughs and chest colds.
To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

Monmouth News

(Capital Journal Special Service)
Monmouth, Or., Oct. 16.—Monmouth grange met in regular session Saturday, Oct. 14, with most of the "live wires" present. After a short business session a splendid lunch was served, after which a good program was given consisting of several readings by Miss Katherine Arbuthnot, fifth and sixth grade teacher; vocal solos by Miss Boardman, accompanied by Miss Tompkins, both students of the O. N. S. Some of the questions discussed were "Will getting more of the people back to the land reduce the high cost of living?" "Which is the greater affliction, the high cost of living or the cost of high living?" "What is the duty of each individual member of the grange?" The question box is a regular feature of the program which is given during the open session to which every one is invited. Rev. W. A. Elkins, pastor of the Christian church was initiated and other business attended to.
The first meeting of the season of the parent teachers' association was

held Friday night in the high school auditorium; Prof. M. S. Putnam delivered a splendid address on the subject of Industrial training which was well received and which proves that Mr. Putnam is awake to the needs and demands of modern parents in regard to practical training for their children. The secretary reported that there was a fund of \$70 on hand, the result of Prof. Gentile's lecture on Germany, and a committee was appointed to purchase a work of art to place in the training school; the lecture having been given for that purpose.
President Ackerman and Prof. J. B. Butler were among those who attended the big road meeting held at Dallas for the purpose of boosting for the west side highway.
Miss Todd, dean of women, spoke at the annual harvest luncheon of the First Congregational church of Portland last week and reports a pleasant time.
The first programs of the year of the Vesperine and the Delphian literary society of the Normal school were given on Friday, Oct. 6 in the normal chapel.
The members of the faculty who took part in the Polk county institute were Miss McIntosh, Miss Arbuthnot, Mr. Gentle, Mr. Ackerman, Mr. Pittman and Miss Dinwiddie.
The total enrollment of the high school at the end of the fourth week is ninety two and the seating capacity is exhausted.
W. J. Murphy, Jr., who has been attending the university, came home for a visit with friends and relatives.

E. T. Evans has ordered material for another silo; he built one last year and thinks it is the best solution of the dairy feed problem.
Monmouth Cooperative Creamery is paying thirty seven cents per pound for butter fat and stock holders and patrons are well pleased and very hopeful of a prosperous future.
Parties were in this vicinity today making arrangements for circulating a petition for the purpose of recalling members of the county court.
Mrs. T. P. Gilmore went to Salem Saturday.
E. R. Ostrom has finished a new silo on his farm, south of Monmouth.

University Notes

There seems to be no halt in woman's invasion of business realms and the Willamette law school furnishes its quota for four have taken up the law course. Miss Grace Smith, of Salem, is registered as a senior law and the Misses Bernice Abraham, of Roseburg, Winifred Fifield, of Grants Pass, and Ruth Rauch, of the State Public Service commission, have elected to become masters of the profession in which there are so many "live talks with dead ones."

Eagerly anticipated as a stellar attraction of the Websterian Literary society Wednesday evening, is the dainty trio of minstrel fame direct from the heart of Alabama, in a "volcano of vocal velocity." As additional numbers on the program are impromptu discussions of "Thirty Seconds on a Hurricane Deck" and "Stubble Fields By Moonlight" by James Ewing and Willis Bartlett. For a balance and political stimulus the tariff will be dissected and discussed with the old time partisan feeling by the Messrs. Sparks, Friddy, Cotton and Spiess. The subject under forensic fire is "Resolved, That American Industries Demand a More Inclusive Protective Tariff Than Is in Vogue." The program closes with a 10 minute parliamentary practice, Alpheus Gillette presiding.

Under the leadership of Miss Fannie McKennon of the Y. M. C. A. and William Maulden of the Y. M. C. A., extension work of the Christian associations is being rapidly broadened in its scope. Classes have been organized at the Chemawa Indian school under the general supervision of Mr. Kennedy, the religious director of the redskin work, and six university workers are regularly engaged in such instruction. Various rural Sunday schools are visited from time to time by other delegations under the leadership of Dr. Frank E. Brown, an ex-Willamette coach of the 90's and alumnus of note both in Salem and central Idaho circles.

Members of the university junior class report a most enjoyable hike Saturday evening into the wilds of Polk county. Willamette's prizes were sung, acted out, and eaten with such a relish that the party did not return until a late hour. Coach and Mrs. R. L. Matthews chartered the jolly group of merry-makers.

Unusually brilliant are the prospects of the Willamette Men's Glee club which has already had three strenuous rehearsals under Director Frank Willbur Chase of the department of music. Even though the absence of Metcalf, Lee, Jeffrey and P. Smith will be keenly felt, the clamor for tryouts of those men desiring entrance was sufficient to more than fill the gap with creditable warblers. Manager Lyon of the club plans several road trips for the organization which will probably be taken during the Christmas and Easter vacations. The lineup for first tenor is Anderson, J. Ewing, Stevens, Masters, second tenor, Booth, Gillette, Emmel, Coates; baritone, Chapler, Jackson, Cotton, A. Smith; second bass, Lyon, Bowers, Douglass, Watts. Alternates will be chosen for emergency roles in the near future.

OIL TREATMENT FOR STOMACH TROUBLES

A simple prescription made up of a combination of pure vegetable oils is producing wonderful results for sufferers. The remedy, which is said to have originated in France, where it has been used for years by the peasantry, was introduced into this country by George H. Mayr, a leading Chicago druggist, who cured himself of severe stomach, liver and intestinal troubles by its use. Those who have used it say the first dose is sufficient to convince any one of its remarkable merit, and that within twenty-four hours the sufferer feels like a new person. This medicine, which has become known as Mayr's Wonderful Remedy, is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.
For sale by J. C. Ferry, druggist.
